43 CFR 3600 – Mineral Materials

Mineral Materials Free Use Permit UTU-75882 Renewal

Your Free Use Permit (FUP) for Mineral Materials at the Trout Creek site, assigned Bureau of Land Management (BLM) case file number UTU-75882, expired on March 5, 2009. Although this site has not seen recent active use, you requested reactivation of all Juab County FUPs in a meeting at Fillmore Field Office (FFO) in January 2013. The Trout Creek FUP is located in aliquot parts of Section 31, Township 12 South, Range 17 West.

We recognize that you were unaware until recently that the permit had expired. To expedite renewal of your FUP, the BLM will continue to apply the National Environmental Policy Act (NEPA) analyses from the July 16, 1998 Programmatic Environmental Assessment (EA) for the site, J-010-99-012TR, until a new Programmatic EA is prepared for all Juab County FUPs in 2013.

Under the Code of Federal Regulations (CFR) in 43 CFR § 3604.12, the BLM may issue Free Use Permits to government and non-profit entities, provided that the mineral materials are not used in for-profit industrial or commercial purposes. The BLM issues FUPs for mineral materials to government entities for periods of no more than ten (10) years, as specified under 43 CFR § 3604.21(a)(1). Please note that as specified under 43 CFR § 3604.22(a), you must not barter or sell mineral materials that you obtain from a FUP.

As part of a Free Use Permit agreement, you must submit annual production reports for mineral materials extraction under the permit. Annual production reports are required even if there is no production. Please submit an annual production report to the BLM Fillmore Field Office.

It may be most convenient to submit the report near the end of the Federal fiscal year on September 30th.

Please complete the enclosed contract document and return it to:

Mr. Mike Gates
Field Manager
Fillmore Field Office
Bureau of Land Management
95 East 500 North
Fillmore, UT 84631

Please specify an estimated quantity of mineral materials for extraction in the contract.

Fillmore Field Office (FFO) will then notify you when your Free Use Permit has been authorized. Your new FUP authorization will expire ten (10) years from the last expiration. The renewed permit will therefore expire on March 5, 2019.

If you have any questions, please contact Duane Bays, Fillmore Field Office Natural Resource Specialist, at (435) 743-3115, or Jerry Mansfield, FFO Geologist, at (435) 743-3125.

Sincerely,

Mineral Materials Free Use Permit UTU-75860 Renewal

Your Free Use Permit (FUP) for Mineral Materials from the Middle Range Free Use Permit (FUP), assigned Bureau of Land Management (BLM) case file number UTU-75860, expired on April 15, 2008. Although this site has seen no recent use, you requested reactivation of all Juab County FUPs in a meeting at Fillmore Field Office (FFO) in January 2013. The Desert Mountain FUP is located in aliquot parts of Section 28, Township 13 South, Range 15 West.

We recognize that you were unaware until recently that the permit had expired. To expedite renewal of your FUP, the BLM will continue to apply the National Environmental Policy Act (NEPA) analyses from the April 15, 1998 Programmatic Environmental Assessment (EA) for the site, J-050-98-051TR, until a new Programmatic EA is prepared for all Juab County FUPs in 2013.

Under the Code of Federal Regulations (CFR) in 43 CFR § 3604.12, the BLM may issue Free Use Permits to government and non-profit entities, provided that the mineral materials are not used in for-profit industrial or commercial purposes. The BLM issues FUPs for mineral materials to government entities for public purposes for periods of no more than ten (10) years, as specified under 43 CFR § 3604.21(a)(1). Please note that under 43 CFR § 3604.22(a), you must not barter or sell mineral materials that you obtain from a FUP.

As part of a Free Use Permit agreement, you must submit annual production reports for mineral materials extraction under the permit. Annual production reports are required even if there is no production. Please submit an annual production report to the BLM Fillmore Field Office. It may be most convenient to submit the report near the end of the Federal fiscal year on September 30th.

Please complete the enclosed contract document and return it to:
